Adjustable Fancy Canes

Aluminum Adjustable Canes with Derby-Top Handles. Attractive designer patterns and colors offer style and flair to an otherwise institutional look for both men and women. An assortment of colors are available in contoured wood derby-top styled handles or soft sponge offset-style grips with cane strap. All Duro-Med Adjustable Fancy Canes

are constructed of strong 7/8" to 3/4" aluminum shafts and are adjustable from 29" to 38-1/2" in the offset-style. The derby-top handle canes are adjustable from 31" to 40" in 1" increments, with a "positive locking ring" and slip-resistant rubber tip for safety and security. Safely supports up to 250 lbs. weight capacity.
