

Welch Allyn® Harvey™ DLX Stethoscope

Developed for precision and acoustic clarity.

- Designed by Dr. W. Proctor Harvey, expert in auscultation
- Optimized for listening to high-frequency heart sounds, including murmurs, clicks, and ejection sounds
- Brass chestpiece provides superior acoustic response
- Bell ideally sized to bridge intercostal space between ribs
- Adjustable binaurals allow you to custom fit your stethoscope for optimal comfort and performance
- Pediatric version available

6783-5079-325 Harvey DLX with Double Head
6783-5079-321 Harvey DLX with Triple Head, black, other colors available

Welch Allyn® Harvey Elite® Stethoscope

- High-quality stainless steel chestpiece and binaurals designed for durability
- Superior performance throughout the entire acoustic range
- Dual-channel PVC tubing provides separate sound pathways to each ear for acoustic accuracy
- Pediatric version available

6783-5079-125 Elite Stethoscope shown in black, other colors available

Welch Allyn® Master Elite™ Electronic Stethoscope

Hear more of what you need and less of what you don't. The key to the extraordinary capabilities of the Master Elite™ lies in our patented sound-sensing technology, which enables you to lock onto important sounds, while reducing unwanted ones.

- Two-position filter switch lets you listen in high or low frequency mode
- Adjustable binaurals and eartips ensure all-day comfort
- Long-life lithium ion battery lasts up to 140 hours
- Optional—the Distributor allows others to hear simultaneously, and the Analyzer provides the ability to store and analyze the sounds you hear right on your PC

6783-5079-405 Master Elite Stethoscope (18" Tube)

Welch Allyn® Braun Thermoscan PRO 4000

Ear temperatures you can trust. Welch Allyn® offers the simple, accurate solution for your thermometry testing needs.
